## LEADERSHIP 6-S

### OVERVIEW:

**Leadership 6-S** – There is great truth in the adage, “They won’t care what you know until they know that you care.” This is the brainchild behind Vera’s [six principles of empathic leadership](#). Vera stimulates empathy, higher thinking, and laughter with memorable stories like **“I Got It!”** and her own personal trials with a “bad boss.” The presentation is designed to help participants explore opportunities for growth in their professional capacities supervising, teaching, coaching, or simply relating with others. When you put **“6”** and **“S”** together, you get **“Success!”** That’s just what Vera delivers! **This keynote is also available as a breakout session** and touches on strategies in various areas including empathic leadership, communication, resilience, and employee engagement and wellbeing.

### Vera’s “often repeated in conference hallways” quips:

- ~ **“Stank Face”** – Leaders who obviously lack real friends.
- ~ **“I GOT IT!”** – So powerful you’ll want the T-shirt!

### KEY TAKEAWAYS:

#### This presentation invites participants to:

- improve the way you lead with greater clarity, confidence, and collaboration.
- understand the mindset and the importance of **leading and communicating with empathy**, and the **6 S-Motivators** that help get people playing to win in your organization, community, or social network.
- become motivated to lead others through adversity, as this is when true, empathic leadership is needed most. You matter!
